## B2DROP Training Suite

### **B2DROP**

#### **B2DROP - EUDAT's Personal Cloud Storage Service - Video tutorial**

B2DROP is a secure and trusted data exchange service for researchers and scientists to keep their research data synchronized and up-to-date and to exchange with other researchers.

#### **EUDAT B2DROP - Service Presentation**

An ideal solution for researchers and scientists to:

- Store and exchange data with colleagues and team members, including research data not finalized for publishing
- share data with fine-grained access controls
- synchronize multiple versions of data across different devices
